and holder packing

## BAGGY and ECO BAGGY

### **BAGGY: always at your service!**

Your shopping will be faster and easily carried using Baggy bag. You save time at the cashier's desk and do not need anymore to buy the usual plastic bags: simply fill in your elegant Baggy as much as possible (can bring up to 20-30 kgs), then go near to your car, unhook Baggy from the cart, close the handle and take it out.

No more empty bags inside your car boot!

Colours: white, red, blue, green.

Individually bagged, leaflet inside the bag, packing into cartons or display box.

Cartons with 48 pcs (each carton 1 colour).

1 pallet cm 80x130x220 carries 960 pcs.

### **ECO-BAGGY**

Made with non woven cloth to get a cheaper product than classi BAGGY or with nylon: this is very handy and useful.

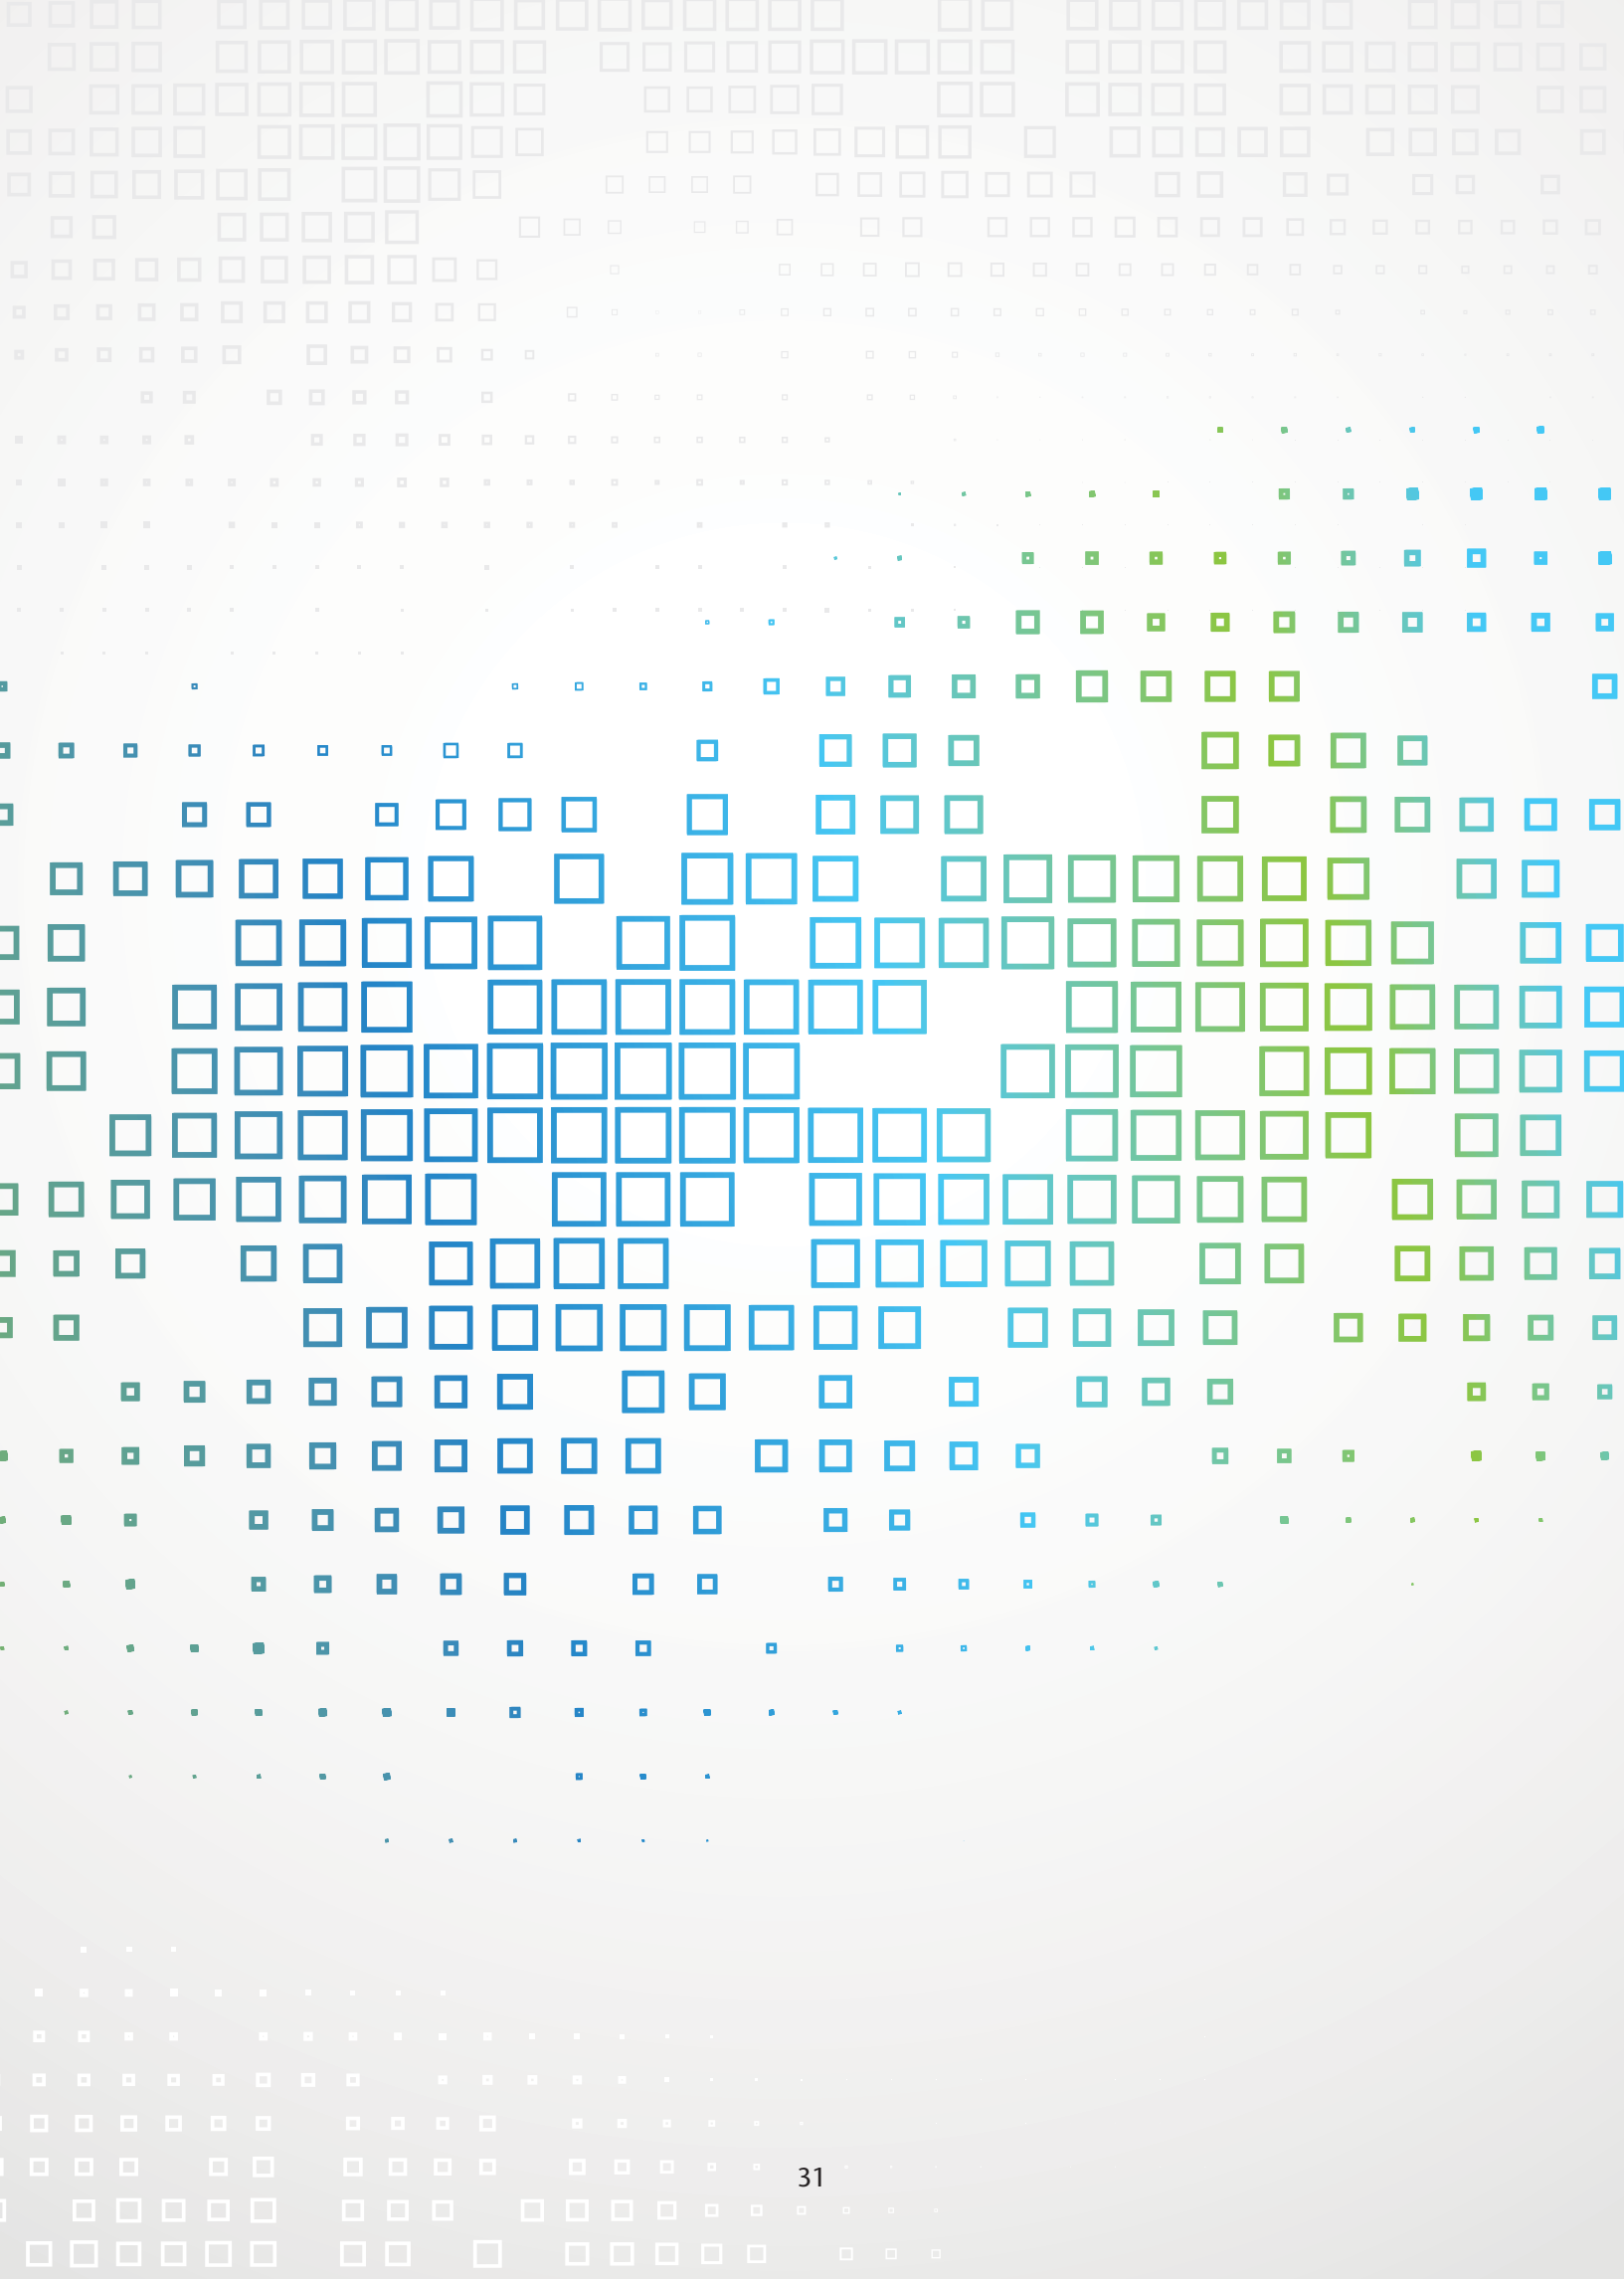

Each Eco-Baggy individually packed

- carton containing 48 pcs,

1 pallet is cm 100x120x200h,

carries 30 cartons = 1440 pcs.
